STATEMENT OF SUBSTANCE OF INTERVIEW

Sir:

Responsive to the Interview Summary dated August 17, 2010, kindly consider the following remarks:

- **Remarks/Arguments** begin on page 2 of this paper.

REMARKS/ARGUMENTS

Applicant agrees with the Examiner's summary of the substance of the interview. However, Appellant points out that the contraction of greater than 5% is for a matrix without contraction limiters. Additionally, undersigned does not agree that the Examiner indicated that the percentage of expansion/contraction is not claimed in a way as set forth in Appellant's specification. Examiner indicated that he could not comment on such a declaration.

Respectfully submitted,
